RESONANCE
January 2024

The Lesson

In this lesson, Vitvan offers **A Therapeutic System for the New Cycle**, Lesson 5 from his series, *How To Take The Journey*. “The basic structural principle upon which the therapeutic systems of the future will be based is described as three levels of energy by which each and every person is controlled, guided, directed and motivated.” Vitvan directs us to dynamic forces represented as vital-dynamism, psycho-dynamism and the Christos Power on Mind level. Conscious Journey-ing!

New Publication Announcement

SNO announces the publication of another fabulous lesson series from Vitvan! Set in book format is the teaching, *Understanding the Psychic Nature*, taken from a series of lessons given by Vitvan in the 1960's. The 222-page publication is currently at the printers and will be available for purchase on the school's website very soon. It is our intention to eventually make available Vitvan's teachings for download, hopefully in the not-too-distant future. Yeah!

Summer Seminar 2024

Currently in process are meetings and discussions on what this years Summer Seminar 2024 will look like. Creative ideas, topics, participation, etc. are welcome! We are excited and will keep you informed.

May the Peace and the Power of the Infinite Spirit
Which passes all understanding
Hold us and keep us
In the Love of the Christed-consciousness
While we are seemingly separated
One from another.
