

The School of the Natural Order

RESONANCE

Spring 2022

The Lesson

This lesson offering is from Vitvan's series on *How To Take The Journey*. In this lesson on *Conscious Functioning*, Vitvan beautifully expresses cosmic unfolding as a "creative overflow". He points to the positive and negative build-up of energy in each of us, often emotional in nature, and the eventual development of conscious choice in channeling this force. So stated, "Man is brought up from the animal state step-by-step until his sensibilities, his faculties become opened, developed, unfolded and he glimpses or sees the Plan."

The Summer of 2022 is almost upon us! This year's SNO Summer Seminar 2022 is titled, "Foundational Understanding and Practices". The intention of this year's seminar is to encourage a deepening of awareness to the field that is called 'The School of the Natural Order'. There are many techniques, skillful means, insights, etc. in the "how to" expansion of one's individual awareness; awareness into Stillness, into the I AM. Potential classes to be offered cover a wide range of exploration: Music, Painting, Meditation, Dance, Yoga, Breathwork, and more! Class descriptions and presenter information are forthcoming and will be posted on the SNO website.

We will be gathering here at Home Farm for seminar, as well as providing several classes via the Zoom platform. SNO Summer Seminar 2022 dates are scheduled from August 1st-August 5th, Monday-Friday. Should you have inquiries about the upcoming seminar, desire accommodations, or would like to be a presenter, please contact us at: sno@sno.org.

Heartfelt Gratitude goes out to all persons who so generously donated to the school's Flood Relief Fund. Through a combined group effort, we raised \$3,600! These funds will assist with some of the road repair, drainage & culverts and re-fortifying our pond. There continues to be multiple upkeep and maintenance needs at our school headquarters. Please keep us in mind for future donations in the continuing efforts for revitalization. You are most appreciated.

May the Peace and the Power of the Infinite Spirit
Which passes all understanding
Hold us and keep us
In the Love of the Christed-consciousness
While we are seemingly separated
One from another.
